

Personal, Social & Emotional & RE: Our aim is to ensure that children have a positive sense of themselves, and others, and to learn how to form positive and respectful relationships. We will focus on establishing the rules and boundaries of school. We will learn about the school character values and how to achieve them.

Literacy: We share a repertoire of books, stories songs and rhyme. We will begin our reading journey this year by learning the graphemes for the sounds of the English alphabet. We will begin to write the sound and blend and segment sounds to read and spell simple words. More information will follow.

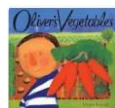

Expressive Arts & Design: We will be combining different media and junk modeling as we learn about materials and what makes a strong house. We will be acting out our familiar experiences in our home corner role play area. We will use outdoor natural resources to create art and explore pattern.

Communication & Language: This is developed throughout the year in all subjects. In this term we will practice our oracy communication skills using role play and drama in literacy. The children will use language to develop critical thinking skills through collaborative play. Effective talk is encouraged across all learning tasks.

Physical Development: This term the children will develop their fine and gross motor skills with activities from finger gym to pre-writing exploration in 'Drawing club'. We will enjoy dance and parachute play. We will also continue to develop our understanding of being healthy and developing our independence in self-care.

FS2 CURRICULUM OVERVIEW - Autumn TERM 2026

Maths: The children take part in daily mathematical activities that develop important mathematical principles through counting, pattern and shape work. We follow the 'White Rose Mathematics' scheme in continuous provision and practically both inside and out. We will be developing their understanding of problem solving and critical thinking through 'hand's on' activities.

Key information: Your child's progress is monitored throughout FS2 using the Early Years Foundation Stage (EYFS) practice guidance 'Development Matters'. This term our learning themes are based around Ourselves, being healthy and pupil interests. We explore our themes through novel led learning and non-fiction texts. We will showcase our learning on Family, please continue to share events from home.

Understanding The World: We will be learning about the season of Autumn and changes to trees and the weather. We will learn about our senses and how they can help us. We will explore healthy living choices and how we can be healthy and safe in our lives. We will learn about Harvest and growing healthy foods.
